

Second Time Customers in Orleans:

The year was 1998 when we first met to build our dream house, the beginning of an incredible experience. With always our best interest, first and foremost, everything was exactly as we wanted it. Your ability to listen to what we wanted and to make it all happen with your guidance was a true partnership. We always knew what was to be accomplished each day; the daily connections were reassuring and comforting.

Our home was perfect and beautiful. We enjoyed our home for twelve years when we realized the dream house was too big for us. So once again, we met with you to build our retirement home. Everyone we came in contact with was very professional and devoted to their craft. Everything was done to our plans and met all our expectations and more. We absolutely love our new retirement home. It is perfect.

Bob, you have so much to be proud of creating such an amazing organization with such wonderful people. McPhee Associates is reliable, dependable, trustworthy, and extremely capable of making anyone's dreams come true. It has been a joy and a pleasure working with everyone involved. Thanks to all of you.

Sincerely,
